Valley Society for Human Resource Management (VSHRM) Receives Prestigious SHRM Award for Advancing the HR Profession

Saginaw, MI, August 6, 2017 — The Society for Human Resource Management (SHRM) recently awarded the Valley Society for Human Resource Management (VSHRM) its prestigious EXCEL Platinum Award for the chapter's accomplishments in 2016.

The award aligns individual chapters and state councils' activities with SHRM's aspirations for the HR profession. The award recognizes accomplishments and strategic activities and initiatives that enhance the human resources profession.

"Advancing the human resources profession is a daily mission at SHRM and this chapter's outstanding work this year contributed significantly to that goal," said Henry G. (Hank) Jackson, president and CEO of SHRM. "Recipients of this prestigious award are those who show a strong commitment to advancing the HR profession through service to the community, local networking, and professional development activities."

The EXCEL award can be earned at four levels: bronze, silver, gold and platinum, and each level has a prescribed set of requirements and accomplishments that must be met. VSHRM will receive recognition in SHRM publications and at conferences, a logo to display on their website and information to share with their members about the significance of this award.

VSHRM's accomplishments in 2016 included: officially welcoming Mid Michigan Human Resource Association (MMHRA) under a Member Service Agreement (MSA), partnering with the Michigan Career Educator and Employer Alliance to host a state conference in Frankenmuth that offered 18 breakout and four keynote sessions to over 150 participants, and providing mock interviews on multiple occasions at the Saginaw City Rescue Mission.
